

Cards for Knots

Terms & Conditions

Placing an order with **Inkpix Private Limited** (operating as Cards for Knots) confirms your agreement to the following terms.

1 Payment

- A 50% non-refundable advance is required to confirm your order and begin the design process.
- The remaining 50% balance must be settled in full before your invitations are dispatched.
- Dispatch will be held until final payment clears; we are not responsible for delivery delays caused by late payment.

2 Design & Approval Process

- A digital draft will be shared for your review within 2–3 working days (timelines for custom designs may vary).
- For a smooth process, please review the draft and share all corrections together in one go. Our team will document your requested changes for final confirmation.

! Final approval is final — you are responsible for thoroughly proofreading the last draft. Cards for Knots is not liable for errors (spelling, dates, venue details) found after approval has been given.

3 Printing & Quality

- A slight 10–15% colour variation between the digital proof and the final printed cards is normal, and a natural part of the bulk printing process.
- A 2–5% wastage is unavoidable during production (for example, 2–5 cards in a 100-card order). We recommend ordering a few extra cards as a safeguard.

4 Delivery

- Printing takes approximately 2–4 working days after your final approval.
- Full custom invitation designs require additional time — please allow 1–2 weeks from approval to delivery.
- Delivery within Tamil Nadu takes an additional 2–4 working days.
- A faster, same-day bus delivery option is available from Tirupattur District; please note extra charges apply.
- Special finishes — such as gold foiling, spot UV, or wax seals — require extra production time, so please allow additional days for delivery.

5 Design & File Policy

- Digital drafts are provided for proofreading purposes only. To protect our original designs, high-resolution source files (PDF/JPEG) are not shared. Your final deliverable is the beautifully printed invitation from Cards for Knots.

6 Liability Policy

- Our liability for any printing error caused by us (an error not present on your approved proof) is strictly limited to reprinting the order or issuing a refund.
- Inkpix Private Limited is not liable for any consequential damages or losses resulting from errors present on a client-approved proof.

7 Cancellation Policy

- The 50% advance payment is non-refundable upon cancellation, as it covers design work and administrative costs already incurred.
- Orders cannot be cancelled once the final design has been sent for printing; the full balance becomes due.
